

NOTICE OF GENERAL INFORMATION TO CONTRACTORS

NOTICE is hereby being provided to contractors and subcontractors who may want to bid on projects that are funded in whole or in part by federal funds, that administrative, professional and construction service providers need to maintain an active registration on the federal System for Award Management (SAM) which must be available on the SAM system for public search at all times. Registration on SAM (www.sam.gov) is free and required for all contractors and subcontractors prior to contract award for work on federally-funded projects.
