Activities

- **City Summer Program**
- **MMS Summer Program**
- **NMHU Student orientation**
- **Sierra Vista Summer program**
- **Armijo Elem. Summer program**

Monica and Ebony have been working with the Summer Program which is being housed at the Rec. center for the K-1st grade level, and 2nd-8th grade levels, which are being housed at RHS. They work with the students once a week doing several activities that raise awareness about the dangers of drugs and alcohol.

Our prevention team also provided one time presentations for 66 students in the MMS summer program on June 14, 2016; 90 students at the Sierra Vista summer program on June 6, 2016; and 63 students at the Armijo summer program on 6/22/16. These presentations help to reinforce messages that we promote throughout the students' years.

Upcoming Events

- **City Summer Program every Tuesday**
- **NMHU student Orientation**

Ebony and Monica have been attending all NMHU Student Orientations, providing the new students with hand outs on our program and promotional items with Safe Ride information. So far, they've attended on June 2, 2016 and June 17, 2016.
